In 2000 Bill established the Whole Community Catechesis project, aimed at helping parishes implement the *General Directory for Catechesis*. He is the author of *Dreams and Visions*, a guide for parishes involved in lifelong faith formation. His most recent work, *The Growing Faith Project*, is an adult education product based entirely on the *Catechism*.

Bill holds an MA in Theological Studies from the Catholic Theological Union of Chicago

His keynote presentation entitled "Encountering the Living Christ" will look at the Church's dream and vision that each person in faith formation have an encounter with the living Christ. He will address how we can build this vision into our parish and school programs.

The keynote in Spanish will be presented by Victor Valenzuela, a National Religion Consultant for Bilingual Resources for William H. Sadlier, Inc. He has been in ministry for 20 years including classroom teaching, youth ministry, teacher training, and writing and development of new materials.
