

MARY, WOMAN OF THE EUCHARIST

In the "school of Mary" (St. John Paul II), we are led from the fog of spiritual confusions into the brilliant Light of Christ in the Eucharist; the fog of distractions that make our minds wander during prayer; the tempests and the turbulence of our days that keep our souls held in fetters of worry and fear.

Please come with a list of these "fetters" and we will present them to our Holy Mother and with her help, seek ways to scatter the darkness.
